

# 2018-19 ELITE AVERAGING CONTRACT

(SUBJECT TO CHANGE WITHOUT NOTICE)

The Elite Averaging contract is marketing alternative to help price a portion of your new crop corn bushels over a predetermined window. This window is chosen based upon historical seasonal strength. The final price will be the average of the December 2019 Corn Futures closing price from April 1, 2019 to July 12, 2019. At the end of the pricing window the seller will have an average December 2019 corn Futures contract. Basis can be set at any point after the contract is made. Fee for this contract is \$.04 per bushel taken at the time of settlement. Deadline for sign up is March 22nd.

## Advantages:

- Take some of the guess work out of marketing.
- Leverage seasonal strength.
- Leave basis open and set any time before 9/30/19.

## Disadvantages:

- Will be opportunities to market at a higher price than the final price.
