PHYSICAL DEMANDS AND WORK ENVIRONMENT

The physical demands and work environment characteristics described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

- *Physical Demands:* While performing the duties of this job, the employee is required to walk; sit; use hands and fingers, to handle, or feel objects, tools, or controls; reach with hands and arms; balance; stoop; talk and hear. The employee must lift and/or move up to 50lbs. Specific vision abilities required by the job include close vision, color vision, distance vision, peripheral vision, depth perception, and the ability to adjust focus.
- *Work Environment:* While performing the duties of this job, the employee is exposed to weather conditions prevalent at the time. The noise level in the work environment is usually

moderate. Some areas have been designated areas to use hearing protection. Hard hat, safety glasses, and leather gloves are required in designated areas.
